BY THE COMMISSION:

The Nebraska Public Service Commission hereby opens the above-captioned docket, on its own motion, to establish testing standards for the implementation of Enhanced Wireless 911. To date, testing standards have been docketed under 911-011/PI-79 and 911-001/PI-52.

O P I N I O N A N D F I N D I N G S

On September 19, 2001, the Nebraska Public Service Commission, on its own motion, opened Docket No. 911-001/PI-52, seeking to establish guidelines for the administration of the Enhanced Wireless 911 Fund. On July 16, 2002, the Commission entered Progression Order No. 5, adopting guidelines, including standards for testing, under the same docket.

On October 17, 2006, the Commission adopted Phase II testing standards in Docket No. 911-011/PI-79.

In order to simplify the administration of testing standards, the Commission finds that all subsequent matters relating to testing standards for the implementation of enhanced wireless 911 shall be docketed under the present docket.

To the extent necessary, any policies developed under this docket will be incorporated into future Rules & Regulations.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the following orders are incorporated into the present docket by this reference: Progression Orders Nos. 5 and 6, under Docket No. 911-001/PI-52; and *Order Adopting Phase*

II Testing Standards, Docket No. 911-011/PI-52 (October 17, 2006).

IT IS FURTHER ORDERED, that all subsequent matters relating to testing standards for the implementation of enhanced wireless 911 shall be filed under the present docket.

IT IS FURTHER ORDERED, to the extent necessary, any policies developed under this docket will be incorporated into future Rules & Regulations.

MADE AND ENTERED at Lincoln, Nebraska, this 5th day of June, 2007.
